GERMAN OR BEARDED IRIS

These Irises form a most delightful group of flowers, as they are about the first of the perennials to bloom. The colors range to all shades of the rainbow and they bloom in May or June.

Numerals after name indicate rating of the American Iris Society. In the description, S. stands for the standards, the three upper petals of the flowers, and F. for the falls, or three lower petals.

Afterglow (Sturtevant 1918) 8.6—Flowers of loose Pallida form. Soft grey-lavender shading to buff with rich yellow at the haft. Well branched and of strong growth. 50 cents each.
